Enjoy your Trip!

We will take your Tesla to our secure on-site car park where it will be looked after alongside our own Tesla fleet.

5

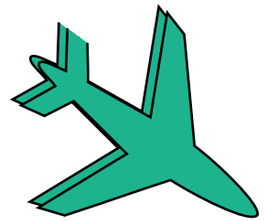
Notified when Landing

We will track your flight back and message you once landed to inform you about the exact meeting location.

Drop off Vehicle

We meet you outside your departure terminal and exchange access to your vehicle.

3



Vehicle Hand-over

We will hand over your keys to your fully charges and washed (optional) vehicle in the terminal short-term car park
